
MEETINGS AND ANNOUNCEMENTS

TENTH ANNUAL MEETING SOCIETY FOR MEDICAL DECISION MAKING

Richmond, Virginia

October 17-19, 1988

The Society for Medical Decision Making announces that the 10th annual meeting will be held in Richmond, Virginia on October 17-19, 1988. The meeting will include scientific presentations as well as symposia dedicated to the advancement of medical decision making.

Papers will include the following subjects: clinical decision analyses; health policy analyses; cognition; methods of medical decision making; ethical considerations; legal issues; artificial intelligence; and predictions derived from data bases.

The society will also sponsor several short courses on medical decision making on October 16, 1988.
